WHAT TO DO IN CUENCA!

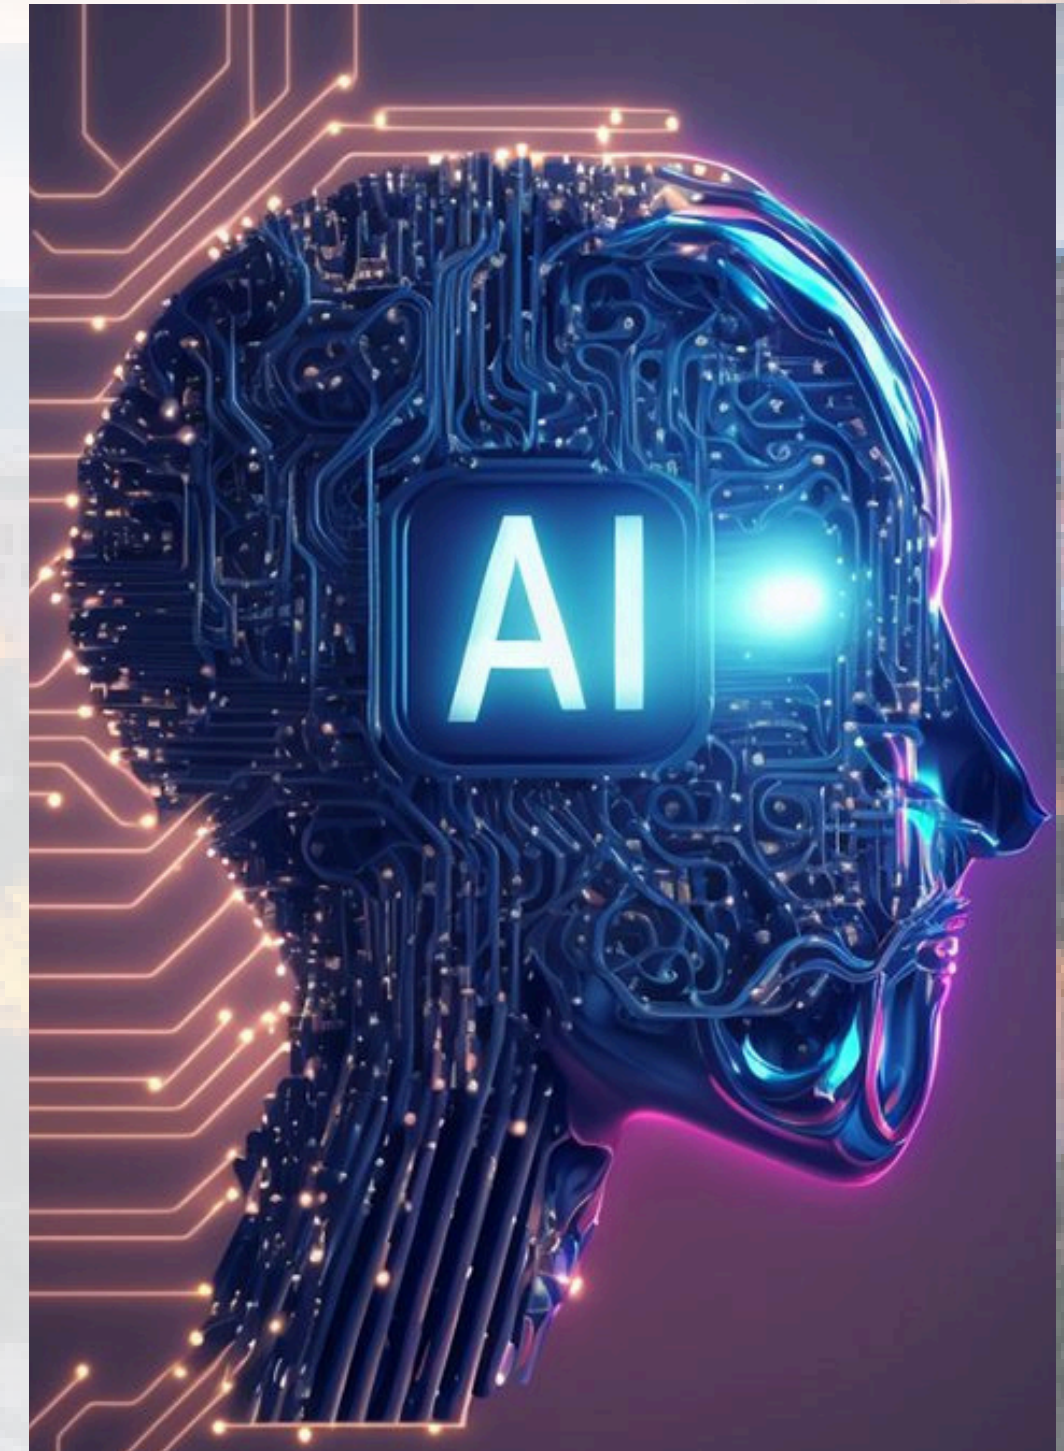

WHAT IS “AI4CLIMATE”?

The **AI4Climate** is an Erasmus+ project that aims to enhance climate change education in the youth sector by leveraging **Artificial Intelligence** (AI). It will create accessible resources and innovative educational activities to help youth workers engage young people in climate change topics using AI tools.

PROJECT PARTNERS:

- **ASOCIACION IROKO DESARROLLO FORESTAL SOSTENIBLE** (Spain)
- **ARTETEKA LIMITED** (Ireland)
- **TOGETHER FOR SUCCESS** (NORTH MACEDONIA)

INTERNATIONAL BLENDED MOBILITY FOR YOUTH WORKERS

APRIL 22ND - 26TH

This training program aims to equip youth workers with AI-based tools and methods to enhance climate change education. Participants will develop digital skills, explore innovative non-formal learning approaches, and create interactive activities to engage young people in climate action.

WHAT YOU WILL LEARN

- How to use AI tools to support climate change education.
- Strategies to make online youth work more engaging
- Methods for teaching climate change through interactive, digital activities.
- The role of AI in addressing environmental challenges and its ethical implications.
- Best practices for integrating digital tools into non-formal education.

WHAT TO DO IN CUENCA!

Cuenca is a UNESCO World Heritage City, known for its stunning medieval architecture, dramatic cliffs, and rich cultural heritage. Nestled between deep gorges, it offers a perfect blend of history, art, and nature. Its unique charm, breathtaking landscapes, and vibrant local culture make it a must-visit destination.

PLACES TO VISIT:

- **Hanging Houses (Casas Colgadas)** – Iconic medieval houses suspended over a cliff.
- **San Pablo Bridge** – A panoramic walkway with spectacular views of the city.
- **Cuenca Cathedral** – A remarkable Gothic cathedral with impressive interiors.
- **Abstract Art Museum** – A unique collection inside one of the Hanging Houses.
- **Serranía de Cuenca Natural Park** – Stunning rock formations and hiking trails.
- **Enchanted City (Ciudad Encantada)** – A surreal landscape of natural rock sculptures.
- **Plaza Mayor** – The heart of Cuenca, surrounded by colorful historic buildings.
- **Mangana Tower** – A historic watchtower offering great views of the old town.

HOW TO GET TO CUENCA:

- Cuenca is easily accessible from major Spanish cities. The fastest option is the **high-speed train** (AVE) from Madrid, which takes less than an hour.
- Regular trains and buses are also available from cities like Valencia and Alicante.
- If arriving by plane, the nearest major airport is **Madrid-Barajas (MAD)**, from where you can take a train or bus to Cuenca. Once in the city, you can explore most attractions on foot or by local transport.
