

Additional information Migration Shaping Youth Work

PARTICIPATION

Participants are expected to be part of the full duration of the seminar. All board and lodging is foreseen from Sunday 19 November dinner time, till after breakfast on Thursday 23 November.

TRAVELING

Travel costs are covered by your NA. We're happy to inform you about accessible train stations and train connections in Austria.

If necessary, we can arrange and cover adapted transportation from the airport or train station to the venue. More detailed information about the travel guidelines will be provided to the selected participants closer to the event.

ACCOMMODATION

The Magdas Hotel has accessible toilets and we can arrange a room for you that is adapted for persons with reduced mobility. If you have a personal assistant, we can book and cover the costs of an extra room.

The venue offers a buffet for breakfast. For lunch and dinner we order vegetarian food by default. The venue and places we are visiting are able to adapt the menu to other dietary needs or preferences.

LANGUAGE, COMMUNICATION AND LEARNING

The main working language during the seminar will be (International) English. We're happy to provide you with a (sign language) interpreter upon request.

The resources and documentation we're using could be made available in easy to read formats.

SAFER SPACE

Participants can appeal to a confidential advisor before, during, and after the conference.

OTHER NEEDS

We want to ensure to host an inclusive conference and tried to think about all needs related to traveling, accommodation, and language, communication and learning. Probably we lost quite a few out of sight, but we're happy to support you if you would have any other need. Therefore, we've included a question in the application form so you can make us aware of this. Of course, this doesn't have any influence on your application.

COVID-19

The activity is planned to be hosted residentially. In case the Covid-19 situation worsens and restrictions prevent travel, or the organisation of an activity for 25+ participants, SALTO Inclusion & Diversity reserves the right to cancel the residential activity and organise an alternative version in an online format.

All participants will be accommodated in single rooms. Should there be any measures and safety guidelines issued by the Austrian government by the time of the seminar, the organiser and the venue will follow and apply them accordingly.
