ABOUT THE PROJECT

The conference is organised within a long-term project **“Youth Work as a Tool for Rehabilitation of Young People Affected by War and Armed Conflict”**.

The project involves 9 partner organisations which work with young people affected by war and armed conflict from Armenia, Azerbaijan, France, Germany, Italy, Spain, Kosovo, and Ukraine. It has been implemented from 1 October 2022 till July 2024.

The projects objectives:

- To promote space for sharing practices of youth work with young people affected by war and armed conflicts;
- To enable transformation and change, leading to improvements and new approaches, in proportion to the context of each organisation.
- To improve the capacity of 9 organisations working with young people in the field of youth work with young people affected by war;
- To equip the representatives of 9 partner organisations of the project with the tools and methods for rehabilitation of young people;
- To promote rehabilitation of young people affected by war through building capacities of partnering organisations and conducting local initiatives in 9 communities and developing tools of youth work;
- To promote peace work through youth work activities with young people affected with war and armed conflict.
