ABOUT US

SOCIETY
AND ENTERPRISE
DEVELOPMENT
INSTITUTE

Our main goal is to develop **social, cultural, education and youth projects** in remote regions of Lithuania and beyond.

We refined **4 strategic directions** of activity, with which we seek changes relevant to youth and society through various measures, programs and initiatives:

1. Volunteering;
2. Entrepreneurship;
3. Integration;
4. Citizenship.

DATES

Programme November 17 – 22, 2024

ABOUT THE TRAINING

- "Enterprise You" training course offers an innovative and immersive experience for youth workers.
- The purpose - is to improve the opportunities for youth entrepreneurship education by non formal activities and how to develop entrepreneurial competences with youngsters or yourself. By developing those competencies, young people are given more opportunities to know themselves better, to be more creative, motivated to start new projects and willing to try themselves in a new field.
- Training course will focus on the concept of social entrepreneurship, which is based on the realisation of ideas in accordance with the satisfaction of the needs of the local community.

TRAINERS - A BOOST OF GOOD ENERGY

VLADAS POLEVIČIUS

Vladas Polevičius – has been working for 12 years with various non-formal education programmes and projects for young people. Vladas has coordinated innovative youth projects that have been recognised as some of the best in Lithuania and Europe: the project "My Voice Matters: the European Young Citizens' Initiative" was recognised as the best Lithuanian youth project in 2015 by the European Charlemagne Youth Prize Commission.

Vladas has been a regional consultant for the Erasmus+ and the European Solidarity Corps programmes, and is a former member of the Board of Directors of the Lithuanian Council of Youth Organisations (LiJOT). As a member of the LiJOT Board, Vladas has been involved in structured (youth) dialogue processes and has participated in four European Youth Conferences, where together with colleagues from all over Europe, he has been working on the development of the youth objectives that are currently included in the European Union Youth Strategy.

Vladas has extensive experience in coordinating and managing projects, developing and following up project implementation plans and ensuring that tasks and activities are completed on time.

AISTĖ RUTKAUSKIENĖ

Aistė Rutkauskienė - since 2012 she has been working with children and young people, organising summer camps, artistic and creative activities. Since 2017, she has been managing Erasmus+ projects: she organises and implements youth exchanges, training courses for young people.

Since 2018, it has been coordinating the implementation of the Youth Voluntary Service Programme in Alytus and Marijampolė counties: organising the work of volunteer mentors, supporting volunteer host organisations, providing training for youth volunteers and advising them on general competences and volunteering topics. Since 2018, it has also been coordinating international volunteering projects under the European Solidarity Corps programme in Marijampole County: contributing to the growth and development of the network of volunteer host organisations, organising mentoring and accompaniment processes for volunteers, and strengthening volunteers' general competences.

Since 2019, she has been actively involved as a moderator and facilitator of various events, meetings and discussions for young people. She conducts trainings on motivation, creativity, teamwork, critical thinking, communication, strategic thinking and planning, advocacy.
