About The Venue

Our project will take place in İstanbul, the cultural and historical capital of Turkey. This megacity, whose population exceeds 16 million, is almost an open air museum with its thousands of years of history.

İstanbul has a unique location in the world. It is located on the shores of the Bosphorus, which connects Asia and Europe and has hosted different civilizations throughout history.

MOBILITY PROJECT

About The Venue

Istanbul is a city located in the Marmara Region in Turkey and is the center of Istanbul province. Istanbul is an intercontinental city, the part in Europe is called the European Side or Rumelia Side, and the part in Asia is called the Anatolian Side or Asian Side.
