Background and Experience	

Please briefly present the partner organization.

We are an informal group based in Al Chouf, Lebanon, renowned for its scenic beauty. Our focus is on youth and community development, promoting awareness. Amid gradual growth, our central aim is to empower the youth. Our mission centers on nurturing leadership and collective power in young individuals to attain social justice, peace, human dignity, freedom, and a sustainable environment.

Purpose:

Dedicated to achieving social security, justice, peace, human dignity, freedom, patriotism, and a healthy environment for everyone. This pursuit is driven by the leadership and collective power of the youth.

Objectives:

1. Engage youth productively in their communities, schools, organizations, peer groups, and families.
2. Recognize, enhance, and efficiently utilize youths' strengths.
3. Stimulate positive outcomes for communities, especially the young population.
4. Improve career and livelihood opportunities.
5. Foster progressive relationships among communal stakeholders.
6. Advocate for intercultural dialogue regionally and globally.
7. Secure support to enhance youth leadership strengths.
8. Provide avenues for community development and awareness.

What are the activities and experience of the organization in the areas relevant for this application?

We are a group of friends/colleagues who used to work together in an NGO , we all have a wide experience due to the fact that we're been working with youth and managing projects . We've took part in many local trainings and we've been part of many Erasmus plus exchanges. Our frame of work includes various topics, such as leadership, climate change, environment, women's empowerment, democracy, advocacy, policy making, social inclusion and much more.

What are the skills and expertise of key staff/persons involved in this application?

FYO ensures continuous training both in terms of quality for the definition of guidelines and planning in the medium and long term, and in terms of ensuring a standard quality management and efficient organization for the activity in which it is involved.

The co-founders have been active in youth work and the humanitarian sector since 2018 and have participated in international trainings and workshops, and several leadership programs under UN agencies. In addition, active members of the association have taken part in many projects and workshops at the local and international levels.

Please list the projects for which the organization or the department responsible for the management of this application has received financial support from the EU programme.
