

EDU BRIDGE

<<<CONNECT TO YOUR BETTER FUTURE>>>

WHO WE ARE ?

Bridge is a non-governmental and non-profit youth organization, founded by three individuals and registered in Georgia in 2024. The organization has several key aims:

- *Creating Educational Projects*
- *Strengthening Global Connections*
- *Establishing Youth Centers*
- *Conducting Exchange Programs*

FOUNDERS' VISION AND MOTIVATION:

The founders decided to establish Bridge based on their extensive experience in youth exchange programs.

They recognized the need for a platform that is both friendly and accessible, offering young people the best opportunities for personal and educational development. Their goals include:

- *Creating a Friendly Platform*
- *Enhancing European Education Access*
- *Developing Youth Centers and Local Projects*

WHAT WE WANT TO ACHIEVE

- Launch Initial Educational Projects: Develop and implement the first set of educational initiatives tailored for the younger generation in Georgia .
- Establish the First Youth Center: This center will offer a range of resources, including tutoring, workshops, and recreational activities, aimed at fostering a supportive and enriching environment
 - Build a Global Network: Form partnerships with international educational institutions, NGOs, and exchange programs , such as Erasmus + , ESC and others
- Secure Initial Funding: Apply for and secure grants and funding from local and international sources to support the initial projects and operational costs of Bridge.
