## Beyond Barriers: Partnership for Deaf Youth

Erasmus+ KA1, Mobility of Youth Workers, Partnership Building Activity  
9-15 December 2025  
Ankara, Türkiye

### Summary

Beyond Barriers: Partnership for Deaf Youth aims to establish a collaborative network of at least 12 organizations working with or motivated to support deaf youth across Europe, through a partnership-building event using non-formal education methods, taking place from 9-15 December 2025 in Ankara, Türkiye. The project will specifically target the participation of around 27 representatives from diverse European organisations, creating a platform for them to explore innovative strategies and develop projects that enhance the inclusion and empowerment of deaf youth.

Through this project, participants will build strong, long-lasting partnerships that will contribute to future Erasmus+ initiatives and other collaborative efforts designed to break down barriers and promote inclusivity. By the end of the event, the network will be equipped with the knowledge and connections necessary to foster a more inclusive and accessible environment for deaf youth across Europe.
