History:

Rock Music National Association (RMNA) was founded in April 2007. Since inception, a number of various activities have been realized with the aim to promote rock music and rock culture in Georgia, raise it to a higher level as well as to assist local performers, to unite the youth movements in the country, and to involve them into the current processes and activities taking place in Georgia.

Later "*JAM! Events*" company was established to work along with RMNA on global projects. One of the activities of the "RMNA & JAM! events" is booking & promotion. We have our Roster today that keeps enlarging, joining new interesting bands.

June, 2012 "*RMNA & JAM! events*" announced a new international project. A contract was signed with the world largest Festival – Wacken Open Air (W:O:A) to launch "Metal Battle Caucasus", a musical contest to reveal a Winner-band to participate in Wacken Open Air. Now the countries Armenia, Azerbaijan and Georgia will join the battle under the banner of the "Caucasian Republics".

August, 2014 – a contract signed with world-known company "GBOB Ltd." to represent the Caucasus in the Global Battles Of The Bands and to hold the music contest of a large scale.
