D. BACKGROUND AND EXPERIENCE	
Please briefly present the partner organisation.	<p>We aim to contribute to world peace by placing tolerance in social life. In addition, we want to enable young people to spend their free time with social, cultural, artistic and sports activities, to help them acquire knowledge and skills, to plan, program, supervise, evaluate and develop youth activities. We aim to create the most productive conditions that will contribute to the development process of social life, to create a sensitive, socially responsible and empathetic young audience that will take a role in global and social development as well as in the local perspective.</p> <p>In addition, it aims to raise action-oriented individuals who will work for the benefit of different societies as much as they work for their own society, who will create awareness that supports human rights, who will contribute to democracy and civic education of individuals, who aim to create productive</p>

	<p>conditions that will ensure the full development of social benefit, and who take an active role in social development. We aim. For this, we will create community projects by realizing national and international partnerships and will realize them when the conditions for realization are met. We aim to raise awareness by preparing reports and informing the public and governments by obtaining from the works planned to be done.</p> <p><u>Aims of the organization:</u></p> <ul style="list-style-type: none"> <li>✓ To be a pioneer for young people to participate in the management at all levels of education and training institutions, in the business lines they work in, to develop themselves and their creativity, to investigate their problems, to find solutions and to provide support, and to raise them as individuals who have a love of humanity and nature, and have democratic values, attitudes and behaviors. To support youth initiatives in various fields</li> <li>✓ To enable them to be more active in the fields of country and world peace, environment and social development. In this way, to contribute to international understanding, cooperation and world peace.</li> <li>✓ To respect and support human rights. Popularization of democratic ideas, institutions of a civil society.</li> <li>✓ To take part in social development aimed at creating the most productive conditions that can ensure the full development of humanity.</li> <li>✓ To carry out functional and professional or amateur project-based art, research, education and cultural studies.</li> <li>✓ Developing local, national and international partnerships, creating platforms to realize long-term common goals.</li> <li>✓ To reintegrate individuals with limited opportunities into society who cannot participate in social activities due to lack of access to information, socio-economic deprivations, not knowing a foreign language, physical or mental disability.</li> <li>✓ To help Turkish youth, who will come together with the youth of the world in international activities, to introduce Turkish culture and people, and to help Turkish youth to get to know the people and cultures of other countries.</li> <li>✓ To organize activities that will benefit the society and especially the youth by using non-formal and formal education methods and contribute to their social and cultural development.</li> <li>✓ To increase the awareness and usability of the funds offered by international institutions, to support and advise individuals, NGOs, SMEs, institutions and organizations that want to use them.</li> <li>✓ To instill awareness of volunteering and active participation in young people.</li> </ul>
