

Liwan Youth Space
مساحة شبابية

ABOUT LIWAN SPACE

The space welcomes youth's new ideas and alternative visions. It operates on basis of an open-door policy for youth-led ideation, activism, and action. No room for judgment. Encourages learning by doing. Youth who attend the space has often described it as a safe space; they feel the friendly atmosphere and the level of tolerance and acceptance which makes it welcoming to different segments of youth.

VISIT US

- Offer technical support to develop other youth spaces and centers through a youth-centric approach and participatory modalities

Liwan aims to:

- Provide a physical facility that offers a safe space that is disability friendly.
- Facilitate learning and capacity building to stimulate individual and collective growth and voice their issues.
- Provide networking and opportunities for youth groups/initiatives and volunteers.
- Support and coach youth groups and initiatives.
