Please briefly present the organisation / the group*

"UNIQUE" YOUTH INNOVATION CENTER is a non-profit organization dedicated to promoting personal growth and development among young people. The organization's core idea is to encourage young people to embrace their individual uniqueness and values such as humanity, simplicity, tolerance, creativity, individuality, self-confidence, and decisiveness.

The organization uses non-formal education methods, experiential learning, and the acquisition and improvement of competencies to help young people develop their skills and competencies. Their goal is to develop socially responsible and creative individual personalities who are self-confident and free-minded.

The activities of "UNIQUE" are focused on the learning of the personality through non-formal education methods, through experiential and experiential learning methods, acquisition and improvement of competencies. The organization focuses on developing a person as a full-fledged, socially responsible and creative individual personality.

"UNIQUE" has experienced members with high education levels and skills in planning, organization, coordination, project writing and hosting, training, and non-formal education intercultural learning methods. They have experience in implementing projects, generating ideas, and developing social skills, including youth exchange, cooperation and training projects. The organization is open-minded and willing to work with partners to implement high-quality projects.

The organization's activities are focused on the learning of the personality through non-formal education methods, through experiential and experiential learning methods, acquisition and improvement of competences. They aim to encourage youngsters to step out of their comfort zones

"UNIQUE" YOUTH INNOVATION CENTER - POLAND

and develop personal skills and competencies. They focus on developing individual personalities that are unique, self-confident, creative, free-minded, and strive for individual joyful and motivational livelihood.

The organization is open-minded and willing to work with partners to implement high-quality projects. We have human and technical resources for project administration, preparation and implementation. "UNIQUE" has highly active, responsible, and willing members who are committed to organizing activities.

"UNIQUE" activities include various events, seminars, team buildings, and social initiatives. They have experience in the non-formal learning sphere, preparing youth exchange, and participating in various training courses. We have planned and implemented youth exchange projects and are improving their organizational management skills every day.

The aims of the "UNIQUE" include bringing young people together, organizing their leisure time, and promoting recreational activities, developing youth-supported activities, organizing and conducting activities based on the principles and methodology of non-formal education aimed at the education and personal development of young people, supporting and preparing athletes for competition in various sports, encouraging young people to travel, learn about the culture, history, and nature of Europe and their own country, promoting youth entrepreneurship, and youth volunteering, initiating and supporting innovative solutions in various areas of social life, particularly in the protection of human and citizen rights and freedoms, the protection of family life, and social prevention, promoting the use of modern technologies in citizen counseling, popularizing the idea of family and social mediation, and developing and strengthening attitudes focused on active cooperation in the development of civil society.

The organization places a great deal of emphasis on international cooperation, learning from international experience and practice, and sharing knowledge and expertise with partners. We aim to involve young people with fewer opportunities.

"UNIQUE" is a dedicated and experienced organization that is committed to promoting personal growth and development among young people, using non-formal education methods, and encouraging individuality and creativity.

In summary, "UNIQUE" YOUTH INNOVATION CENTER is a dynamic, experienced, and dedicated organization focused on promoting personal growth and development among young people, fostering individual uniqueness, encouraging individuality, creativity, and improving social skills and competencies through non-formal education methods, experiential learning, and intercultural learning.
