WORK EXPERIENCES IN YOUTH WORK:

Since 1989 I am active in youth work; in youth centres and other youth organizations and community centres. My work contains personal support for youngsters and guiding volunteers. Besides that, I have management and directive tasks, project and financial management, intermediary tasks between the centres or organization and local government, neighbours and police. I took part in de boards. Besides organizing regular as local activities for youngsters I have independently organized international/intercultural projects for young people and youth workers.
