

I helped implementing the French EuroPeers network designing the logo, jingle, mission and 'raison d'être'.

I invited Youth Information Centres to the YouthWeek event.

I promoted EuroPeers France network on social media.

I co-facilitated an online gathering of young people during the YouthWeek 2021.

Here, I participated at the Conference for the Future of Europe in which I co-wrote recommendations to improve mobility of young people, visibility of Erasmus+ programmes and civic engagement.

Here, I promoted the ESC programme among visitors during the European Education Fair in Paris.

I participated in the international trainings: *Artivism. Touching the heart of complexity* about activism and Street Art and *Include, Transform, Realise Forum* about inclusion of people with disabilities into Erasmus+ programmes.
